## SHOW RULES

**Grower Classification:** There are three classes of growers for the Show. To determine proper sections to enter blooms, see the appropriate **Sections and Classes of Entries**.

1. A **Novice grower (Section 1)** is an exhibitor who has exhibited dahlias for three years or fewer, with special encouragement to first-timers. The number of ribbons won in shows does not affect this status nor does the number of plants grown. There is no limit on the number of entries in each class.
2. A **Small grower (Section 2)** is an exhibitor growing **no more than 75 plants of AA, A, B, and BB size dahlias**, seedlings excluded. (May not move to Section 1, may move up to Section 3.)
3. A **Large grower (Section 3)** is an exhibitor growing **more than 75 plants of AA, A, B, and BB size dahlias**, seedlings excluded. Large growers must enter in **OPEN TO ALL** sections. (May not move down to Sections 1 or 2).

**Exhibition:**

1. Dahlias entered in competition must be grown by the exhibitor.
2. Blooms grown in a cloth house or under cloth must exhibit in OPEN TO ALL.
3. An exhibitor is allowed more than one entry in a class, unless otherwise stated.
4. Exhibitors must use the standard Midwest Dahlia Conference show tags. Tags must be correctly and properly filled out showing Section Number, ADS Class Number, Name of Variety, Exhibitor's Number as well as Name and Address. **Personal address labels are ideal for this latter purpose.** The tag area is to be covered until such time as the judging has been completed.
5. All entries must be tagged in accordance with the 2018 Official ADS Classification and Handbook of Dahlias. In case of an unknown or unlisted variety, including seedlings, place the entry on the Classification Table where it will be classified by the Classification Committee. After classification by the committee, the Exhibitor has sole responsibility to place the entry in the correct section and class. Note that Seedlings that are not intended for introduction must have a two-digit prefix, e.g., *99 Super Seedling*.
6. Undisseminated varieties must be entered in OPEN TO ALL Classes. The Classification Committee shall note on the entry tag how the undisseminated variety was classified.
7. Containers will be provided for all entries except baskets.
8. Note that there is no Flower of the Year Section this year.
9. Regarding MICRO blooms: See Sections 50 and 51 for MICRO entries – One Bloom.  
See Sections 23 and 24 for MICRO entries – Three Blooms.
10. All specimen blooms become the property of the Show Committee to be disposed of at the end of the show. No exhibit shall be removed prior to the closing of the show without the consent of the Show Chairman, Dave Cap.
11. Neither DSO Inc. nor the Summit Mall will be responsible for loss or damage to exhibits or containers. Please remove your personal containers at teardown time Sunday.

**Judging:**

1. Blooms must have at least one pair of leaves above the container.
2. Blooms of AA, A, B, and BB dahlias must not exceed 36 inches in height except to show two sets of leaves. For entries over 36" the second set of leaves must be within one inch of the top of the container.
3. Undersize and oversize blooms: All blooms must be entered as officially classified by the ADS. Blooms will be judged with no penalty for being oversize or undersize. When judging miniatures, miniature balls, pompons, and mignon singles, judges should consider and may reward diminutiveness in an entry.

Regarding MICROS, any bloom in the show that is less than 2" in diameter may be moved to the respective MICRO class. This is an ADS exception for an experiment it is conducting for the next 5 years.

4. Multiple bloom entries must be staged in one container. When the number of blooms is specified, a greater or lesser number shall disqualify the entry.
5. The wiring of stems, any artificial support of stems above the container, or artificial coloring of the foliage is prohibited. The use of wedges and Oasis is allowed. Oasis blocks and wedges that are above the rim of the container will be regarded as part of the container.
6. Judges may not participate in the judging of classes containing their own entries.
7. Entries misplaced as to size, type, or color may be properly placed or re-entered prior to judging. If a Section has not been judged, the entry can be moved to the proper class, but it may not be moved to a Class or Section that has already been judged.
8. Stickers will be awarded to first, second, and third place winners. As there are no Sweepstakes, only first place winners will be recorded by the clerks.
9. No award will be given to an unworthy entry even though it may be the only one in its class. Judges may give a second or third to an entry in the event none is considered worthy of a first. This includes artistic designs, photographs, and container gardens also.
10. If only one blue (first) is available for a Special, it need not be given the Special. This applies to artistic designs, photographs, and container gardens also.
11. Obvious signs of virus on the foliage will be penalized
12. **LARGEST BLOOM:** The single entry bloom that has won a blue ribbon and has the greatest numerical value by multiplying the depth by the diameter is the **LARGEST** bloom in the show. It will be placed on the Court of Honor.

## SECTIONS AND CLASSES OF ENTRIES

## NEW FOR 2019

There is a new SIZE category MICRO MC to be added to the sizes AA, A, B, BB, M as well as Micro categories in the other fully double and open-centered forms. MICRO size is defined as being less than 2 inches. Note that although Pompon and Mignon Single are less than 2 inches, since they already have their own designations they are not considered in Micro.
